

Join the Fox Valley resident portal

The Association's private website for homeowners, renters and their families. It takes about five minutes.

Homeowners

- 1 Find the letter the Association mailed to your home. Your registration code looks like **FV - XXXX - XXXX**.
- 2 Go to **foxvalleyhoa.org/register** or scan the code below.
- 3 Type your street address, choose your home from the list, and enter the code.
- 4 Add your name, phone and email, and choose a password of at least 10 characters.
- 5 Open the email we send you and confirm your address. You're in!

Two owners can both use the same code.
Capital letters and dashes don't matter.

Renters and family members

- 1 You don't need a code. Ask the homeowner (your landlord, if you rent) to invite you from My Household in the portal.
- 2 Open the email invitation within 14 days and choose Create my account.
- 3 Check your name, add your phone, choose a password, and you're in.

Lost your letter?

Letters go to the owner at the mailing address on the county tax records. Ask for a new one at **foxvalleyhoa.org/contact** (topic: Portal account help).

- See the calendar, meeting minutes and Association documents
- Request guest parking passes and reserve the Park Area
- Report a concern, and (owners) check dues, vote and send architectural requests
